

Objective

Looking forward for a challenging work profile in Datawarehouse Development field and efficiently contribute to the company's growth.

Experience Summary

- ✓ Over 4+ years of IT experience in various roles as an Informatica Power Center, IICS Developer. Have good experience on implementation of Data warehouse.
- ✓ Have worked on simple to complex mapping development like CDC, SCD 1 and SCD2 Mappings.
- ✓ Have good exposure on CDI in IICS
- ✓ Handled different structured and non-structured Data Sources (DBs, Files, JSON , XML).
- ✓ Involved in requirement gathering & analysis, business understanding, on site offshore co-ordination.
- ✓ Have required knowledge on SQL queries and Unix shell scripting.
- ✓ Good Understanding of Dimensional Modelling like Star Schema, Snow Flake Schemas.
- ✓ Experience in developing technical design documents and mapping specifications to build Informatica mappings.

Technical Skills

Databases	Oracle SQL Developer 11g, PL/SQL
ETL Tool	Informatica 9.6 IICS
Others	UNIX shell scripting
Scheduler	Control-M

Professional Experience

Company	Designation	Experience
Smart Software Services Pvt. Ltd.	Software Engineer	May 2018 to Till Date

Client : Accenture

Projects:

1. Zodiac Mart

Client	Tools/Technologies
Zodiac Clothing Retailer	Informatica Power Center 9.6, Cloud-IICS Oracle 11g, Control-M

A centralised data warehouse is developed to process Sales and inventory data which client receives from retailers, vendors, customers etc. on the daily and weakly basis.

Responsibilities:

- ✓ Create ETL specification Documents base on Functional documents.
- ✓ Implemented SCD Type 1 and SCD Type 2.
- ✓ Load fact tables and implementation CDC in project.
- ✓ Implements Exceptional handling using informatica mapplet (create a generic mapplet for exceptional handling)
- ✓ Written store procedure to perform recovery Load.
- ✓ Performing Unit Testing and UAT for SCD Type1/Type2, fact load and CDC implementation
- ✓ Used almost all Transformations including Connected & Unconnected Lookups, Router, Sequence Generator, Stored Procedure, Aggregator, SQL, Transaction control, union, Joiner and Update Strategy and others Transformations.
- ✓ Work On Performance Tuning activity
- ✓ Creating Unit test cases and performing Unit Testing.

2. OLADW (Oppenheimer Data-warehouse)

Client	Tools/Technologies
Oppenheimer Life Agency	Informatica Power Center 9.6,Oracle 11g, UNIX shell scripting

Oppenheimer Life Agency has been providing high quality insurance products and services to individuals and institutional clients. A data-warehouse is built for the client at enterprise level comprising of various data from Provider System, Member System, Claims, Broker and Finance system.

Responsibilities:

- ✓ Create different Unix script to perform file validation
- ✓ Good at implementing Mapping tasks, Synchronization tasks, Replication tasks, powercenter task for IICS cloud.
- ✓ Implemented fully parameterized mappings with one-to-one, SCD1 and SCD2.
- ✓ Used Transformation/Assets (read, write, joiner, router, lookup, expression, mapplets), Mappings etc.
- ✓ Implements Exceptional handling using store Procedure.
- ✓ Create ETL specification Documents base on Functional documents.
- ✓ Implemented SCD Type 1 and (SCD Type 2 by using Dynamic Lookup).
- ✓ Load fact tables and implementation CDC in project.
- ✓ Written store procedure to perform recovery Load.
- ✓ Performing Unit Testing and UAT for SCD Type1/Type2, fact load and CDC implementation

- ✓ Used almost all Transformations including Connected & Unconnected Lookups, Router, Sequence Generator, Stored Procedure, Aggregator, SQL, Transaction control, union, Joiner and Update Strategy and others Transformations.
- ✓ Work On Performance Tuning activity
- ✓ Creating Unit test cases and performing Unit Testing

Academic Qualification

BE (E&TC) from **SRTM** University Nanded in the year of 2017

Personal Details

Name: Swati Sampatrao Sakhare

Date of Birth: 06/05/1993

Address: C2,302,Eves Garden, Keshav Nagar Pune 411036

Marital status: Married

Language known: English, Hindi, Marathi
